

1967 PENDANT

COLLECTION GUBI

DESCRIPTION

Known to many as 'the man who illuminated Finland', the legendary designer and metalsmith Paavo Tynell is one of the leading lights of 20th-century industrial design. A classic 1950s Tynell design, the 1967 pendant expands on the design language developed in 1948 for the 1965 pendant. The 1967 is characterized by a conical canvas shade which exudes warm ambient light, with Tynell's signature brass hardware adding a subtle, premium expression. Below the bulb, a fabric diffuser modulates the light and, beneath this, a decorative brass detail gives each lamp a flourish of character, and subtly influences the play of light it generates.
