COLLECTION
GUBI

DESIGNER
JACQUES ADNET

DESCRIPTION

Few designers have succeeded in making a mirror a design icon but Jacques Adnet was the exception. Today, the elegant leather mirror that Adnet designed in 1950 provides inspiration for designers all over the world. His style is the epitome of luxury, so his 1950's collaboration with the exclusive French fashion house Hermès was a natural. In association with Hermès, Adnet developed a Collection of discreet yet voluptuous leather-covered furniture and interior accessories. This distinctive, round leather mirror with equestrian inspired detailing is a perfect example of Adnet's designs at that time.
