DESCRIPTION

This wonderfully sculptural console table in soft Quarter Sawn Bleached Oak or Black Vellum has a thin Aged Brass foot and detail to the underside of the curved top. Our Quarter Sawn Bleached Oak finish gives a totally natural look and feel. Due to the level of tannin content in each piece a slight variation is inevitable. The degree of flecking and knotting will be more present on larger surface areas. Vellum is a natural skin with no pieces alike, therefore variation in shade and one along with physical characteristics are inevitable and may change over time. Brass is a hand-applied finish which is moulded and beaten by hand. As a result, the finish is unique in both appearance and texture.
