

ANTIPODE - AT01

COLLECTION
IMPERFETTOLAB

DESIGNER
VERTER TURRONI & EMANUELA RAVELLI

DESCRIPTION

A set of tables, an eclectic and hybrid community, which powerfully bursts into an environment, challenging the concept of conventional beauty. The simple round top is supported by a sculptural base, which recalls both the animal and vegetable worlds. The legs with their different shapes can be combined in an infinite number of ways. Limited, certified and numbered edition.
