

ATARI SQUARE MIRROR - 8080

COLLECTION
GIOBAGNARA

DESIGNER
STEPHANE PARMENTIER

DESCRIPTION

Part of the Atari collection by designer Stéphane Parmentier inspired by the graphic of the early Atari video games, this captivating mirror will instantly add a playful look to any wall. The simple yet substantial frame, made of saddle leather tiles in a warm orange color is interspersed with random black grooves for an understated and intriguing visual appeal. Perfect in an entryway or in a contemporary bedroom, this impeccable piece will bring an elegant touch to any room.

MATERIALS

Leather, Mirrored Glass
