DESCRIPTION

Part of the Atari collection, this versatile piece can serve as a full-length mirror in an entryway or bedroom, or hung horizontally to add an intriguing accent above a sofa or mantelpiece. The slim frame is entirely crafted of white saddle leather with deep black grooves between the slim tiles, showcasing the luminous clarity of the mirrored glass while dramatically amplifying light and sense of space. It can be displayed alone or with the other two mirrors from the same collection in smaller sizes for a subtly chic style.
