

BASALTO - BS01

COLLECTION
IMPERFETTLAB

DESIGNER
VERTER TURRONI & EMANUELA RAVELLI

DESCRIPTION

A fibreglass base worked until it appears flexuous, a slender and solid metal rod that both pierces and supports, and a Fenix top with a silky smoothness. These are the elements that give life and shape to two coffee tables with minimalist charm, combining functionality with an original and refined style.

MATERIALS
Fibreglass

COLOURS
Black, White

DIMENSIONS
Diameter: 17.32" (44cm)
