JULIAN CHICHESTER

**DESCRIPTION**

Delicate console table with a Gilded Steel frame with Brass clad Faux Shagreen drawers with High Gloss Ivory Vellum upper and lower shelves. Bronze coating is a hand applied finish which is moulded and rubbed back by hand. As a result the finish is unique in both appearance and texture. Vellum is a natural skin with no two pieces exactly alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
