

BEETLE BAR CHAIR - FRONT UPHOLSTERED

COLLECTION
GUBI

DESIGNER
GAMFRATESI

DESCRIPTION

Looking closely at the anatomy of the beetle insect, characterized by its solid outside and soft inside, the front upholstered Beetle Bar Chair possesses all attributes. The front upholstered Beetle Stool holds the same soft core as the fully upholstered version, giving it an outstanding comfort while the contrasting outer in polypropylene plastic functions as a protective shell. The Beetle can exude a personal adornment with an upholstery of your choice. Due to its unique design, the front upholstery can also be changed with time to give the chair a different expression and new life to the interior decoration. The height of the bar chair contributes to its light expression, which makes it blend into any interior naturally and with grace.
