

BEETLE BAR CHAIR - FULLY UPHOLSTERED

COLLECTION
GUBI

DESIGNER
GAMFRATESI

DESCRIPTION

The fully upholstered Beetle Bar Chair carries strong references to the design duo GamFratesi's inspirational source; the insect world, more specific the world of beetles. Not just the name indicates their inspiration, but also the characteristic elements of the beetles' sections have been interpreted - shape, shells, sutures, rigid outside and soft inside. The height of the stool contributes to its light expression, which makes it blend into any interior naturally and with grace. The wide range of upholstery options and different bases make it possible to put your personal touch to the stool and create one of its kind.
