

## BEIGE CLUNIS MALI

### COLLECTION

LORENZA BOZZOLI COUTURE

### DESIGNER

LORENZA BOZZOLI

### DESCRIPTION

The Bouclè is characterized by a tri-dimensional surface given by soft and smooth little curls, which are very delicate to the touch and are all defined in natural colours. Okra like cumin, rust like African lands, green like olive groves of the Mediterranean, natural hues of the expanses of desert sand and the deep blue off Eastern nights with the sparks of the new lurex fringes defines this collection by Lorenza Bozzoli. The sturdy beech core is complemented by generous padding and upholstery, enlivened at the base by brown, beige, and golden fringes creating an eye-catching tribal-style pattern.
