

## BELVEDERE BENCH - 9435

### COLLECTION POWELL & BONNELL

#### DESCRIPTION

After many designer requests for a small "X" bench, a showroom requested such a design and the request was answered by Albert Limshue. Having previously designed the Belvedere Tray Table, named after the iconic tv butler Mr. Belvedere, for a private client, Albert saw an opportunity to reimagine the design as a bench. As the tray's purpose was to serve, so is the bench as it offers support as a seat when taking off shoes or a resting spot for a handbag. It is available in all finishes and can be easily custom sized up or down.
