COLLECTION
GERVASONI

DESIGNER
FRANCESCO BALZANO

DESCRIPTION

Conviviality is the key of one of the collections by Federica Biasi. Brise, literally breeze, aims at taking us back to that pleasant sensation when a breeze makes the summer heat milder to enjoy moments of relaxation en plein air and, therefore, at accompanying happy and carefree moments. A lively collection, elegant and bubbly at the same time, calling to mind Art Nouveau, floral, defined by ornamental and decorative lines that are inspired by nature to harmonize with it.
