

CIOTTOLO - 09

COLLECTION
IMPERFETTOLAB

DESCRIPTION

Like a pebble emerging from the river, this seat gives the space that houses it the perfect harmony of its curves, of its smoothness and of the reflections that accompany its lines. It can be recreated in different shapes and finishes, working the fibreglass with art that imitates time and water flowing, shapes the elements and mutating them into something ever new and precious.

MATERIALS

Fibreglass

COLOURS

Black, White, Gold, Chrome
