DESCRIPTION

A fabulous 50's inspired variegated Black Vellum desk with angled Adnet inspired Leather-wrapped legs with Aged Brass ring detail. Both the top and the drawer fronts have a contrasting Rosewood surround. Our leather is a natural product with variations in texture and grain. Brass is a hand-applied finish which is moulded and beaten by hand. As a result, the finish is unique in both appearance and texture. Vellum is a natural skin with no two pieces exactly alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
