

CLOVER TABLE

COLLECTION COLLECTION PARTICULIÈRE

DESCRIPTION

Following in the footsteps of YAB and then Eclat, Yabu Pushelberg and Collection Particulière have combined forces on Clover, a table sculpture paying tribute to nature. Clover revisits the tradition of marquetry, with a subtle nod to Art Nouveau but without the slightest hint of nostalgia. Instead, it is light-hearted, poetic and modern. Clover is made up of a plant-inspired tabletop set on a tapered central base. Three petals like three movements, anchored by a powerful central shaft. A fusion of soft, amical forms, Clover speaks of conviviality, strength, and harmony.
