

CRINOLINE CHANDELIER

COLLECTION BACCARAT

DESCRIPTION

Crowned in engraved, arrowed prisms, this emblematic piece gives a new lease of life to Baccarat's heritage. With two versions that can be arranged in varying formations, the Lady Crinoline can create cascades of different heights and bathe a space in showers of crystal. Like a luminous piece of architecture, the LED version transfigures its 39 prisms into sparkling icicles of crystal. The halogen version is adorned with smaller prisms and showcases the power of its warm, colourful light. With its unique transparency and gleaming facets reflect light like thousands of tiny mirrors, Lady Crinoline transforms light into a surprise that changes with every second that passes, reflecting even the slightest movement around it.
