

DAEN 33, 34

COLLECTION GERVASONI

DESCRIPTION

In Japan it is the word for “ellipse”, the Daen dinner table and sideboard take inspiration from two concepts centred on contemporaneity and the contamination among materials. The dinner table inserts itself in spaces inviting conviviality, giving life to atmospheres with an elegant and sophisticated spirit. Pure and geometric volumes exalting the coexistence of different materials while maintaining a formal lightness. Oval table, fixed top available in the following options: 6 mm porcelain stoneware combined with 6 mm bronze-coloured glass; 12 mm glass painted; white Carrara marble top 20 mm. Lacquered MDF wood feet. Glossy lacquered steel frame.
