**DESCRIPTION**

The Danish Fishscale Cabinet is clad in Natural Vellum with brass doors embossed with a Fishscale pattern. The cabinet rests on two metal arc-shaped legs finished in aged gold. Brass wrap is a hand-applied finish which is applied and beaten by hand. As a result, the finish is unique in both appearance and texture. Vellum is a natural skin with no two pieces exactly alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
