DESCRIPTION

A beautifully sculptural cabinet with a double curved end. Finished in a High-Gloss White, Black or Teal Vellum with a textured Raw Brass detail following the shape on the front of the cabinet. Brass is a hand-applied finish which is moulded and beaten by hand. As a result, the finish is unique in both appearance and texture. Vellum is a natural skin with no two pieces exactly alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
