VENICEM

MELISSA LUNARDI & MASSIMO TONETTO

**DESCRIPTION**

Doma Floor generates contrasts of light and matter from between its parts. Volumes and noble materials interpenetrate in a play of primary forms, exalting each other: the Murano glass bell shade dialogues with its agile stem and solid base. Suitable for indoor and outdoor spaces, Doma Floor's indirect light can be adjusted thanks to its touch dimmer. The Doma collection is also available in suspension, table and wall versions, in different finishes.
