

ECC COFFEE TABLE

COLLECTION
STACKLAB

DESIGNER
JEFFREY FORREST

DESCRIPTION

Featured in the ECC Collection, this family of coffee tables incorporates over 90% recycled materials. With ECC's unique half-inch wall thickness, these tables are lightweight and versatile compared to bulkier, standard reinforced concrete tables. ECC is suitable for both indoor and outdoor settings. A standout feature of the Collection is the incorporation of domestic hardwood, allowing users the luxury of selecting between two premium materials for each component in indoor settings.

MATERIALS

Engineered Cementitious Composite, Wood

FINISHES
