

ELGIN CABINET

COLLECTION
JULIAN CHICHESTER

DESIGNER
JULIAN CHICHESTER

DESCRIPTION

This Cabinet features a gently-curved façade wrapped in Vellum, trimmed at the top and bottom in Aged Brass. Brass is a hand-applied finish which is moulded and beaten by hand. As a result, the finish is unique in both appearance and texture. Vellum is a natural skin with no two pieces exactly alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
