

EMMA ARM CHAIR - 190

COLLECTION BRIGHT

DESCRIPTION

All of Bright's products are made in their Middletown, New York plant. They have the versatility to meet the client needs with detailed attention paid to woodworking processes and the exact tailoring that has become a hallmark of a Bright piece of furniture. In all of their manufacturing, Bright Chair Company respects the environment. They offer a wide range of native Northeastern hardwoods by select harvesting and have been using only Forrest Stewardship Council Certified domestic sources for decades. They use only water-based adhesives and catalytic finishes with low VOC content in the finishing process.
