

EQUILIBRIUM - EQ02

COLLECTION
IMPERFETTOLAB

DESIGNER
VERTER TURRONI & EMANUELA RAVELLI

DESCRIPTION

A cone that plays with its shape, turns upside down, distances itself and comes closer to its likes with which it firmly supports the round top above it. In this table perception varies along with the arrangement, while the balance of the structure, the lightness of the materials and the strongly symbolic elegance of the figure remain constant. Perfect for accommodating Equilibria.
