

FIBER PENDANT SMALL

COLLECTION
BLUE GREEN WORKS

DESIGNER
PETER STAPLES

DESCRIPTION

The Fiber series was inspired by nautical materials, textures and connections. The elemental construction uses raw fiberglass discs, illuminated by open blown glass orbs to create airy architectural forms. Each component simply rests in another, which creates a natural ease between materials.

MATERIALS

Glass, Metal, Fiberglass

FINISHES

Satin Stainless Steel, Polished Stainless Steel, Satin Brass, Polished Brass

CERTIFICATIONS

This item is UL listed
