DESCRIPTION

The Flaneur Sofa is a delicate balance of harmonious contrasts – precise shape and complete comfort, indulgent seat and modular flexibility, classic craftsmanship and modern convenience. Danish-Italian duo GamFratesi's reimagining of the iconic 19th century English 'roll-arm' sofa is an exquisite marriage of the contemporary with the classic. The Flaneur Sofa's low, generous proportions and rounded cushions reflect an Italian approach to comfort, while the overall simplicity, clarity of line and functionality are the essence of modern Scandinavian design. The abundant choice of leather, velvet and linen upholstery lets you decide the strength of personality the Flaneur Sofa should take. The most popular options – 2 seater, 2.5 seater and 3 seater – are available as pre-configured models. Or choose from an array of modules for the precise configuration needed for your living room, hotel lobby or office reception. For absolute comfort and elegant shape, we recommend including Flaneur Cushions, available separately in three sizes.
