COLLECTION
JAN KATH

DESIGNER
JAN KATH

DESCRIPTION

Light is comprised of many colours. It shows this off in a particularly spectacular fashion in the northern lights, visible in winter months in the far north. This spectacle of nature was an inspiration for the Jan Kath collection Spectrum, as were the myths and fairy tales about dancing lights above gloomy moors and in dark pine forests.

MATERIALS

Wool, Silk, Nettle

CUSTOMIZABLE

This product is customizable. Please [contact us](#) to find out more about this product.
