

FRICK COFFEE TABLE

COLLECTION
JULIAN CHICHESTER

DESCRIPTION

The Frick Coffee Table is part of Julian Chichester's 35 Years capsule collection. It has been reimagined by a guest contributor, Hatta Byng, Editor of House and Garden magazine. The Table is offered in Faux Red Gesso with a Red Leather top, or Faux White Gesso with an Aged Mirror top. Gesso is a hand applied finish which is moulded by hand. As a result the finish is unique in both appearance and texture.
