

FUEGO CONSOLE - 9426

COLLECTION POWELL & BONNELL

DESCRIPTION

The Fuego console from Powell & Bonnell has attained its arresting good looks from the Fuego table. The elongated demi-lune marble table top, supported on a tapered steel base, appears deceptively feather light. The sculptural design of the base is individually hand forged, so it can easily be tailored to your client's own needs and a variety of surface options make the Fuego console an individual work of art.
