

## GAEA BISTRO TABLE

**COLLECTION**  
SÉ COLLECTIONS

**DESIGNER**  
INI ARCHIBONG

**DESCRIPTION**

Two planetary discs complete the Gaea Table's composition: one large and one small, linked by a thread of 'pebbles'; large ceramic beads. As Archibong said, it articulates the polar ideas of gravity and transcendence. "It embodies the Collection's theme of reconciling the ethereal and the down-to-earth." Available in both coffee table and bistro sizes.
