

GAMA L26 AND L36 - EDITION COLLECTION

COLLECTION
ATELIER ALAIN ELLOUZ

DESCRIPTION

Iconic GAMA reinterprets the table lamp in contemporary fashion, in a play of curves and sleek lines. As for a classic lamp, Iconic GAMA consists of a base and a lampshade, separated by a delicate golden brass trim. The edges are fine and precise; the perfect proportions. The illuminated upper body magnifies the essential beauty of alabaster, providing a timeless elegance to this creation. GAMA is also available in a taller version and as a nomadic lamp.
