DESCRIPTION

The Gorky Cabinet is a sleek, modern media center that is perfect for a wall mounted television, even though it might compete with the actors for star power. Gliding doors conceal two compartments with one adjustable shelf in each. The frame in our Smoked Oak finish has a so-subtle-you'll-miss-it brass front stretcher that is standard for both door finishes. Bronze and Brass coating are hand applied finishes which are moulded and rubbed back by hand. As a result the finish is unique in both appearance and texture.
