

## GUBI RUG

### COLLECTION GUBI

#### DESCRIPTION

The GUBI X GOLRAN rugs are hand-woven in India by skilled artisans whose artistic sensitivity leads to the introduction of original variations on traditional techniques. The combination of New Zealand wool and viscose lends the rugs a depth and play of color, a soft and luxurious silky finish, as well as strength and durability. The rugs' tight weave makes them easy to clean and ensures that the pile remains straight even with heavy use.
