

## INFINITY ILLUSION

**COLLECTION**  
ATELIER ALAIN ELLOUZ

**DESCRIPTION**

Inspired by the Möbius strip, INFINITY ILLUSION is absolutely captivating thanks to its poetic and seemingly improvised contours. Though from the same collection as INFINITY 16, ILLUSION has a distinct power rooted in its 'shape shifting', asymmetric design. The beholder can change their standing position to admire a new and unpredictable figure. Each one offers myriad interpretations and sculptural designs, infinitely. A real optical illusion. Sculpted with neither top nor bottom, INFINITY ILLUSION flows in the space around it in a totally weightless, fluid rhythm.
