

INFINITY VAGUE

COLLECTION
ATELIER ALAIN ELLOUZ

DESCRIPTION

The VAGUE model quietly adds to our prestigious INFINITY collection. Extending out over an impressive 140 centimeters, this sculptural alabaster luminaire evokes perpetual movement, like one of the ocean's endless waves rippling at the junction between water and air. The design morphs solid alabaster stone into liquid movement, while light reveals the fluid patterns within. Infinity Vague is a polymorphous mass in which each vibration of alabaster resonates harmoniously with its environment. Hung above an elegant dining table or sofa, guests will admire its weightless, aerial design as they contemplate the almost mystical splendor of alabaster.
