

INOUT 872

COLLECTION
GERVASONI

DESIGNER
PAOLA NAVONE

DESCRIPTION

The InOut 872 expresses a refined Nordic minimalism. Four-legged tables having further lower central conjunction, they have a base in Washed Teak, one of the finest tropical woods subjected to ageing treatment that determines the particular shade of grey of the surface, giving the products a delicate charm. They are further enhanced by the top available in white Carrara marble, in wood-effect cement slats or in grey porcelain stoneware.
