DESCRIPTION

Refined strokes define the Jasper Bedside. Depending on the finish, the bedside it takes on an entirely new character. But either way, the materials lend warmth to an otherwise minimalist statement. Available in two standard finishes. Brass wrap is a hand applied finish which is applied and beaten by hand. As a result, the finish is unique in both appearance and texture. Vellum is a natural skin with no two pieces exactly alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
