DESCRIPTION

The allure of an exotic mood is the inspiration for the Jeko collection. The Jeko tables, sofas, and armchairs feature a frame in ECOTEak, a material obtained from recycled teak beams and elements recovered from the demolition of traditional wooden homes on the island of Java, Indonesia, authorised by local authorities. The recovered elements are cut to size, repaired with recycled wood, assembled and sanded to highlight the original grain, and finally hand-polished with hemp cloths and shavings. Its curvy profile is completed by soft, cosy cushions.
