

JUAN NIGHTSTAND - 9752

COLLECTION POWELL & BONNELL

DESCRIPTION

The Juan Nightstand, created by Powell & Bonnell, is restrained in its simplicity but bold on attention to detail. The spare 2-drawer cabinet is fitted with ample tuck away storage and a glass insert tablet which glides out to conveniently hold a night's reading. The lacquered interior accent colour and bright polished nickel pulls add amplitude to its ultra clean lines, while quiet close drawers won't wake a soul. The sleek lacquer cabinet; which sits on a stained wood base with tapered legs, may be thought of as a nightstand, but it adapts confidently to many settings. Typical of our bespoke furnishings, the Juan Nightstand is offered in a variety of wood and lacquer finishes. Custom sizes are available.
