

JUPITER CONSOLE TABLE WITH DRAWERS

COLLECTION
STACKLAB

DESIGNER
JEFFREY FORREST

DESCRIPTION

The Jupiter Console with drawers pairs STACKLAB's signature solid metal Jupiter castings with a fabricated steel table top featuring operable drawers. Table tops are offered in bronze, nickel, and black finishes with drawer bottoms lined with undyed, vegetable-tanned belting leather. Console table tops are mated to STACKLAB's signature Jupiter pedestal available in bronze, aluminum, or iron. Drawing inspiration from central-eastern Canada's rich manufacturing heritage, the legs undergo a traditional sand-casting process reminiscent of industrial machine components. This approach introduces subtle variations to the legs, enhancing their tactile charm.

MATERIALS

Cast Aluminum, Cast Bronze, Cast Iron, Plated Steel

FINISHES

Please enquire about available Cast Metal and Plated Steel options
