

KAMI ROUND TABLE

COLLECTION
GARNIER & LINKER

DESCRIPTION

The KAMI collection by Garnier and Linker explores the urushi lacquer technique in a series of furniture pieces - tables, consoles, cabinets - and lighting fixtures. Obtained by repeating two gestures, polishing the support on one side and adding successive layers of urushi on the other, lacquering requires great skill.

MATERIALS

Japanese Urushi Lacquer, Wood

COLOURS

Please enquire about available Cracked, Semi Transparent and Moiré Lacquer options
