

LAP DISPLAY SHELVES

COLLECTION
COLLECTION PARTICULIÈRE

DESIGNER
CHRISTOPHE DELCOURT

DESCRIPTION
On the occasion of its tenth anniversary, Collection Particulière commissioned Christophe Delcourt to design a shelving unit to display objects, a made-to-measure showcase to exhibit the first decade of creations like a repertoire of forms. LAP is a collection piece, neither bookcase nor simple display unit. Whatever its position or viewpoint, this piece of furniture allows all the pieces displayed on its shelves to be admired.
