

LE PENTAGONE CHANDELIER - 1359/1357/1358/1354/1353

COLLECTION
JONATHAN BROWNING

DESIGNER
JONATHAN BROWNING

DESCRIPTION

Le Pentagone chandelier is made from heavy wall brass tubes. The five square tubes terminate at each end at a round tube which is offset at various angles. Each round tube terminates with a frosted tubular bulb. These 20 lights create a round circle of light offset from the center pentagonal structure. The electrical cord suspends this brass body at any desired drop length. Ceiling plate is milled of solid brass.

MATERIALS

Brass
