

MESA SWIVEL STOOL - 9901/9902

COLLECTION
POWELL & BONNELL

DESCRIPTION

The clean lined simplicity of the Mesa Swivel Stool highlights the wrap around comfort of an integrated back & arm rest, slung with top stitched belting leather and discretely embossed with the Powell & Bonnell logo. The 360-degree footrest and concealed swivel mechanism make this an easy rise into a comfortable upholstered seat. The stools are shown in polished nickel and satin black metal finishes, with leather seats and the straps in coordinating Powell & Bonnell belting leather.
