

MISS - MS02

COLLECTION
IMPERFETTOLAB

DESIGNER
VERTER TURRONI & EMANUELA RAVELLI

DESCRIPTION

Not a coffee table because of its height, not a dining table because of its reduced width, but a unique creation which, in its smallest dimensions, also becomes a stool, playing with uses and proportions. Its top welcomes guests to chat and linger, or becomes, as its name suggests, a vain pedestal. Perfect if illuminated by Lume.

MATERIALS
Fibreglass

COLOURS
Black, White

DIMENSIONS
Diameter: 33.07" (84cm)
Height: 33.46" (85cm)
