**COLLECTION**  
GUBI

**DESIGNER**  
SPACE COPENHAGEN

**DESCRIPTION**

Space Copenhagen is the designer behind the classic Moon Collection; a series of organic rounded tables for both domestic and public spaces. The interplay between the beautiful solid oak table top and the smooth half - or full moon shaped base, with bevelled surface, creates a simple yet strong identity for the design. The result is an elegant table series with clear references to traditional Danish carpentry. Through their fascination of the contrast between variations of surfaces and finishes, Space Copenhagen has designed their first table collection for GUBI.
