

MULTI-LITE PENDANT SMALL

COLLECTION
GUBI

DESIGNER
LOUIS WEISDORF

DESCRIPTION

The Multi-Lite was first drawn in 1972 when Louis Weisdorf did an exception to his own design custom of using multiple repeating elements. Instead it reflects his passion for diversity. The Multi-Lite pendant has two individual rotating shades and can be transformed into multiple combinations where the light can be directed upwards, downwards or exude an asymmetrical art light.
