

NEST - 6 RINGS

COLLECTION
TED BRADLEY

DESIGNER

DESCRIPTION

This sculpture series is inspired by a bird's nest. A collection of disparate elements come together to create a beautiful whole. White porcelain rings are affixed to horizontal metal crossbars at various angles. More than a thousand warm, dimmable LEDs are embedded on the inside of each ring. In this design three rings are affixed to a vertical downrod, equally spaced from one another. This sculpture can be made in a linear or round format.
