

NEW ANTIQUE TABLE

COLLECTION BACCARAT

DESCRIPTION

Inspired by the iconic New Antique vase whose base has been reworked, the table consists of three parts: the returned deeply cut New Antique vase in clear Crystal, the base and the table top in white Carrara marble. The table works with a battery and a micro-USB charger to be inserted under the marble plate. Two batteries are included with the table. The second battery ensures the continuous functioning of the table. It is lit by LEDs (2700K) located at the bottom of the structure. Design by Marcel Wanders.

MATERIALS

Crystal Glass, Carrara Marble

DIMENSIONS

Diameter: 31.50" (80cm)

Height: 29.92" (76cm)

ADDITIONAL DETAILS

Table weight: 122 kg (270 lbs)
